

# Northcentral Electric Cooperative™

## YARD LIGHT AGREEMENT

\_\_\_\_\_ requests to install the following number and type of high pressure sodium yard light:

\_\_\_\_\_ 50 LED \_\_\_\_\_ 141 LED \_\_\_\_\_ 183 LED and agrees to pay Northcentral Electric Cooperative the current monthly yard light charge for a minimum period of twelve months, which may be added to his/her electric bill for night lighting services.

It is understood that Northcentral Electric Cooperative will install and maintain one complete light with photo control switch on an existing poles (any additional pole will be \$\_\_\_\_\_ each per month) and furnish electricity for members of Northcentral Electric Cooperative at the current monthly charge per light.

It is agreed that if two or more members jointly have a light or lights installed, and if one or more members moves or stops paying on sold light(s), the remaining member(s) bill(s) will be increased to assure that Northcentral Electric Cooperative receives the total monthly yard light charge.

Northcentral Electric Cooperative will replace any and all failing parts, within a reasonable time after being notified by the member that the light(s) has/have failed to function properly, at no cost to the member.

Northcentral Electric Cooperative reserves the right to remove any light or lights that may be misused or damaged in any way.
