I, _____ Please Print _____ have been advised by Northcentral Electric Cooperative that it is my responsibility to locate, or have any located and visibly marked, any facilities which have been installed on my property by someone other than the utilities who participate in the Mississippi One Call (811) System. These may include water lines, drain lines, sprinkler system lines, sewer lines, septic tanks or field lines, private communication, electric, or gas lines, and buried propane lines or tanks.

Northcentral will not be responsible for the repair of these facilities if they become damaged and have not been located and/or marked properly.
